RESUBMISSION OF PETITION FOR CORRECTED FILING DATE UNDER 37 C.F.R.
§ 1.10(c) ORIGINALLY SUBMITTED MARCH 26, 2001

MAIL STOP ISSUE FEE

Commissioner for Patents

P. O. Box 1450

Alexandria, VA 22313-1450

Sir:

At the suggestion of the Petitions Branch, Applicants respectfully resubmit the attached
Petition for Corrected Filing Date under 37 C.F.R. § 1.10(c), which was originally submitted by
Applicants on March 26, 2001, as it appears that Applicants' petition was never acted on by the
Office.

Applicants received a first action Notice of Allowance and Fee(s) Due dated June 25, 2004. Upon review of the Notice of Allowance and Fee(s) Due, Applicants' representative noticed that the filing date of this application was still incorrect. In checking his file, Applicants' representative discovered that a decision on the Petition to Correct Filing Date had never been rendered. Applicants' representative's file contains a return postcard indicating the Office's receipt of Applicants' petition on March 28, 2001 (attached as Exhibit 1).

Upon further investigation of the PTO web site, Applicants' representative determined that the PTO file for this application had been marked lost on October 1, 2003, and that the file was apparently reconstructed on November 1, 2003, as shown on the attached PAIR File History for this application (Exhibit 2).

Applicant's representative believes that Applicants' Petition to Correct Filing Date received by the Office on March 28, 2001, must have been lost. A telephone call by Applicants' representative to the Petitions Branch of the USPTO confirmed that the petition was never received in the Petitions Branch. In fact, a Petitions Examiner in that office suggested that the petition be resubmitted by facsimile to the attention of Mail Stop Issue Fee. Therefore, Applicants resubmit herewith copies of the Applicants' transmittal letter and Petition to Correct Filing Date, with accompanying exhibits, originally mailed on March 26, 2001 (Exhibit 3).

In addition to the evidence submitted with the original Petition to Correct Filing Date in support of Applicants' contention that the filing date for this application should be January 30, 2001, rather than January 31, 2001, Applicants further submit a copy of the Post Office Express Mail Receipt showing a "Date In" of January 30, 2001 (attached as Exhibit 4).

In light of the foregoing, Applicants respectfully request that the Petition to Correct Filing Date under 37 C.F.R. § 1.10(c) resubmitted herewith be acted upon *post haste* and that the filing date of the instant application be corrected to January 30, 2001.

No fees are believed to be due in connection with the instant paper. However, should any fee under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from Fulbright & Jaworski, L.L.P. Deposit Account No. 50-1212/ESSR:037US.

Respectfully submitted,

Washington, D.C. 20231

Sir:

A corrected filing date is hereby requested under 37 C.F.R. § 1.10(c) in view of the incorrect filing date apparently recorded by the Patent and Trademark Office, as evidenced by the returned Patent Postcard received in the case. The postcard indicated January 31, 2001 as the

filing date of the application (Exhibit A). The correct filing date, however, is January 30, 2001 as is set forth herein below.

Pursuant to 37 C.F.R. § 1.10(c), (1) the instant Petition has been filed promptly following indication that the filing date accorded in the case was incorrect, (2) the number of the "Express Mail" mailing label was placed on the front page of the Request for Filing a Continuation of An International Application Under 37 C.F.R. §1.53(b) as-filed (copy attached as **Exhibit B**), as well as the postcard filed with the application (copy attached as **Exhibit A**), which itemized each of the papers comprising the application, (3) a true copy of "Express Mail" track log from the United States Post Service showing the "date-in" of January 30, 2001 has been attached herewith as **Exhibit C**, and a copy of Applicants' Attorneys Express Mail Log for January 30, 2001 attached as **Exhibit D**.

Pursuant to items (2) and (3) above, copies of the front page of the Request for Filing a Continuation of an International Application and the postcard have been attached herewith as **Exhibit A** and **Exhibit B**. Both the Request for Filing a Continuation of an International Application and the postcard are marked with the Express Mail number under which the application was filed, EL611002701US, as well as the January 30, 2001 filing date. The postcard itemizes the materials comprising the application.

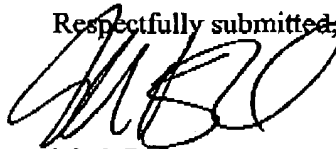

As further evidence of the January 30, 2001 filing date of the above-captioned application, Applicants have provided herewith a true copy of the "Express Mail" track/confirmation logs showing the "date-in" of January 30, 2001 (**Exhibit C**), which indicates acceptance of the package entering the application by the United States Post Office on January 30, 2001. Applicants' were also provided, as **Exhibit D**, a copy of the Express Mail Log of Fulbright and Jaworski, for January 30, 2001, which indicates the deposit of the package bearing

Express Mail Number EL611002701US with the United States Post Office on that date and is signed and stamped by an employee of the United States Postal Service.

In light of the foregoing, Applicants respectfully request that the filing date of the instant application be corrected to January 30, 2001. No fees are believed to be due in connection with the instant paper. However, should any fee under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from Fulbright & Jaworski, L.L.P. Deposit Account No. 50-1212/10026645/MBW.

Please date stamp and return the enclosed postcard evidencing receipt of these materials.
